2022 'La Moza' Rosé Bubbles

AVA

Willamette Valley, Oregon

TASTING NOTES

Our 2022 'La Moza' Rosé Bubbles immediately open up with strawberry and rose petals. The creamy bubbly finish coats your palate with red velvet and hints of gardenia.

To enhance the bubbles in your glass, please enjoy very cold.

VINEYARD

A&E Farms / Cória Estates
Clone 777-115-Pommard
Blocks: Multiple
Soil Nekia Clay Loam
Elevation 650-800 f.a.s.l.

VITICULTURE

Soil

Fruit sourced from A&E Farms is planted on Nekia clay loam. Nekia is a well-drained, volcanic soil characterized by its high content of volcanic ash. The soil is well-suited to the cool, climate of our region.

HARVEST

Tons 6.5
Harvest Date 11/5/2023
Harvest Method Hand Picked

Conditions - Season started off with a very late frost with a high amount of bud death in mid-April. Second crop kicked up, thus the season beginning very late. Season then followed with high heat and an elongated summer, late into October. Fruit came in late following suit. This particular fruit was picked post heavy rainfall, and close to freezing temps at night.

PH @ Harvest 3.43
Brix @ Harvest 22.6

WINEMAKING

Yeast Rhone 4600
Production Style Hand picked and pressed whole cluster. Pressed to Stainless Steel, finished primary fermentation in tank and aged on gross lees for two months. Racked, cold stabilized and then pushed through a carbonated tank and bottling line.

R.S.
Filtration Crossflow

BOTTLING
